

U R INVITED

Inspired by the beautiful beginning of married life, U R INVITED celebrates the small, meaningful details woven into the festivities of a wedding—moments that can easily be overlooked amid the excitement of the day. From intricate henna designs and vibrant décor to lush floral centerpieces, garden-inspired venues, and beautifully composed invitation cards, each element becomes a keepsake of a joyous new beginning.

The greens and blues evoke garden settings and tranquil elegance, while vibrant orange adds the joyful energy of wedding festivities. Pale pinks soften the collection with a romantic touch, and beige grounds the palette with warmth and timeless sophistication.
